

## World Para Powerlifting Rankings Tokyo 2020 - Qualification Pathway

created by IPC Sport Data Management System

Period Start: 2018-05-24 | Period End: 2021-06-27

**Important Information:** Qualified athletes according to the World Para Powerlifting Qualification Pathway 2017-2020 for Tokyo 2020 Paralympic Games. In 2018, the list will be populated with all athletes that competed at one of the 2018 regional championships with all those athletes removed that were classified by October 2017 but did not participate at the Mexico 2017 World Para Powerlifting Championships. After 5 December, all athletes that are not classified (C or R with review of 2021 or later) will be removed as well. After the 2019, all athletes that have not competed at the 2019 World Para Powerlifting Championships will be removed from these qualification rankings. Finally, at the end of the qualification period, all athletes that did not compete at one of the World Para Powerlifting sanctioned competitions in 2020/2021 will be also removed, leaving all qualified athletes after 27 June 2021.
